

Date	Unarco Material Handling Material Worksheet		Unarco Territory Manager	
6/5/13	Information marked with an (*) & in yellow are required			
*Distributor Information:			*End-User Information:	
*Company:			*Name:*	
*Address:			*Address:	
*City, St. Zip:			*City:	
*Contact:			*State:	
*Phone:			*Zip code:	
*Email:			Comments (attach additional pages, if necessary) :	
*Fax:				
Quote #				
PO #				
*Pallet Information			*Load information	
Please state all measurements in inches			Average weight per pallet (helpful):	
*Does the load overhang the pallet?			*Maximum weight per pallet:	
*If yes, state how many inches below.			*Number of pallets per level:	
Front / Rear			Average weight per level:	0 0
Side / Side			Maximum weight per level:	0 0
			*Pallet type (attach drawing if possible)	
*Pallet Height (including pallet)			*General & Options	
Bay 1:			Y / N	
Bay 2:			Quantity	
*Pallet Depth:			Single rows / How many?	
Bay 1:			Back-to-back rows / How many?	
Bay 2:			If yes, state row spacer length:	
*Pallet Width:			Pallet supports / number per level?	
Bay 1:			Column protectors / How many?	
Bay 2:			Column protectors height?	
Comments:			Wall Ties / How many?	
Comments:			Wall Ties length?	
*Bay Configuration			Cross Aisle Ties / How many?	
*Clear Ceiling height:			Cross Aisle Ties length?	
			Other:	
*Upright height:			*Bay Profile	
Bay 1:			Bay 1	
Bay 2:			Bay 2	
*Upright depth:			* Number of beam levels:	
Bay 1:			*Is there storage on the floor?	
Bay 2:			*Floor to top of 1st level:	
*Bay width:			*Floor to top of 2nd level:	
Bay 1:			*Floor to top of 3rd level:	
Bay 2:			*Floor to top of 4th level:	
			*Floor to top of 5th level:	
			*Floor to top of 6th level:	
			Maximum lift height of forklift:	
			Type of forklift:	
* Please insert your preferred Rack Punching Design :			*Engineering Requirements	
			*When will the project ship? MM/DD/YY	
			*Is a site manager required?	
General notes (attach additional pages, if necessary):			*Is installation required?	
			*Union or non-union?	
			*Are stamped engineered calcs & drawings required?
