News Release:

Unarco is proud to announce the addition of Griffith Miller to our Distributor Sales Team. Effective April 13th Griff assumed all distributor sales responsibilities for the Southeast Sales Region.

Griff's prior industry experience will serve as true resource to our dealer and integrator partners while strengthening our partner relationships through our consultative sales approach and productivity tools such as our Rack Engine design tool.

Please join me in welcoming Griff to the Unarco Sales Team.

Brian Boals –Unarco, Director of Distributor Sales
